

DECATUR COUNTY RURAL ELECTRIC MEMBERSHIP CORPORATION
GREENSBURG, INDIANA

SCHEDULE RE

**OPTIONAL RENEWABLE ENERGY RIDER
FOR RESIDENTIAL CONSUMERS**

Availability

Available to any member of the Corporation with less than 25 kW monthly demand taking service concurrently under Schedule SP Single Phase Electric Service. The Corporation reserves the right to limit the total number of participants under this Rider.

Applicability

This Rider is for the purchase of energy from renewable resources (predominantly landfill methane gas generation) and to support qualified environmental organizations. Consumers requesting service under this optional Rider must remain on the Rider for a minimum of 12 months.

Monthly Rate

In addition to the total charges determined under Rate Schedule SP applicable to the consumer, the following charge shall apply:

Renewable energy will be billed in increments of 100 kWh blocks, up to a total 1,000 kWh block at a rate of \$.020 per kWh.

Over 1,000 kWh per month: Not available

Renewable Resources

Energy sold pursuant to this Rider is generated using renewable resources. While the Corporation expects that power generated from renewable resources will be readily available on the wholesale market, the Corporation makes no guarantee that such resources will be available at all times. If the Corporation determines that for any reason that renewable resources are unavailable or insufficient to furnish the retail consumer purchases hereunder, the Corporation may suspend application of this Rider. When the renewable resources again become available, the Corporation may resume application of this Rider.

Contributions To Qualified Environmental Programs

The Corporation will donate the net revenues generated by application of this Rider to Qualified Organizations. Those organizations must engage in:

- I. Research and development of new renewable resources, Environment education, or
- II. Other activities or programs of which the purpose is consistent with protecting the environment.

These organizations may be local or national but must be not-for-profit. Preference shall be given to Qualified Organizations which are either located within the Corporation's service territory or whose activities directly benefit the Corporation's locale. The Corporation shall assign responsibility for approving Qualified Organization and disbursing the net proceeds of this Rider to an advisory board that includes at least one consumer of the Corporation.
